Presidents Message

Dear Alumni of 1981!

You are missed by all of us when you graduate. Don't forget to visit the old Alma Mater. The things you have learned will make you successful when you apply those principles to your lives. "In all thy ways acknowledge Him and He shall direct thy paths."

A sound, loving, and respected Christian family of your own is life's greatest achievement. Shakespeare said, "No legacy is as rich as honesty." Have a rich life! Our prayers will follow you.

--Don Price, President

Dedication

We dedicate this yearbook to Miss Gayle Dosher. Miss Dosher has been at Monte Vista for the past five years. She has taught sophomore English and psychology. Miss Dosher has been junior class sponsor, and is sophomore class sponsor this year. Her talent as a pianist and singer has been greatly appreciated by those who have had the opportunity to hear her on the many occasions upon which she has performed. Miss Dosher was also assistant dean for three years and was head dean last year.

Miss Dosher, this is in appreciation of years of spiritual guidance and constant support. May your life always be a reflection of God's love. We love you.

SO MANY WAYS

Today I watched the morning sun
come up red
Come up warm as it loves
to kiss my cheek
The birds singing love songs
that no one could speak
And the dew drops were sparkling
just like diamonds.

You show me your love in so many ways
each and every day
Why can't I ever find a way
to show my love for you?
Today, in the meadow
in the green, green grass
In the clover I lay
and looked up there
The clouds floated free
and as they passed
They would make me laugh
and I didn't care
And a butterfly was dancing
through a sunbeam.

Oh, you show me your love in so many ways
each and every day
Why can't I ever find a way
to show my love for you?

And best of all
you give to me
People to share
who've known your joy
Who've known your pain
and the love there can be
And I wonder how I ever lived
without you.

Oh, you show me your love in so many ways
each and every day
Lord, won't you help me find
a way
To show my love for you?

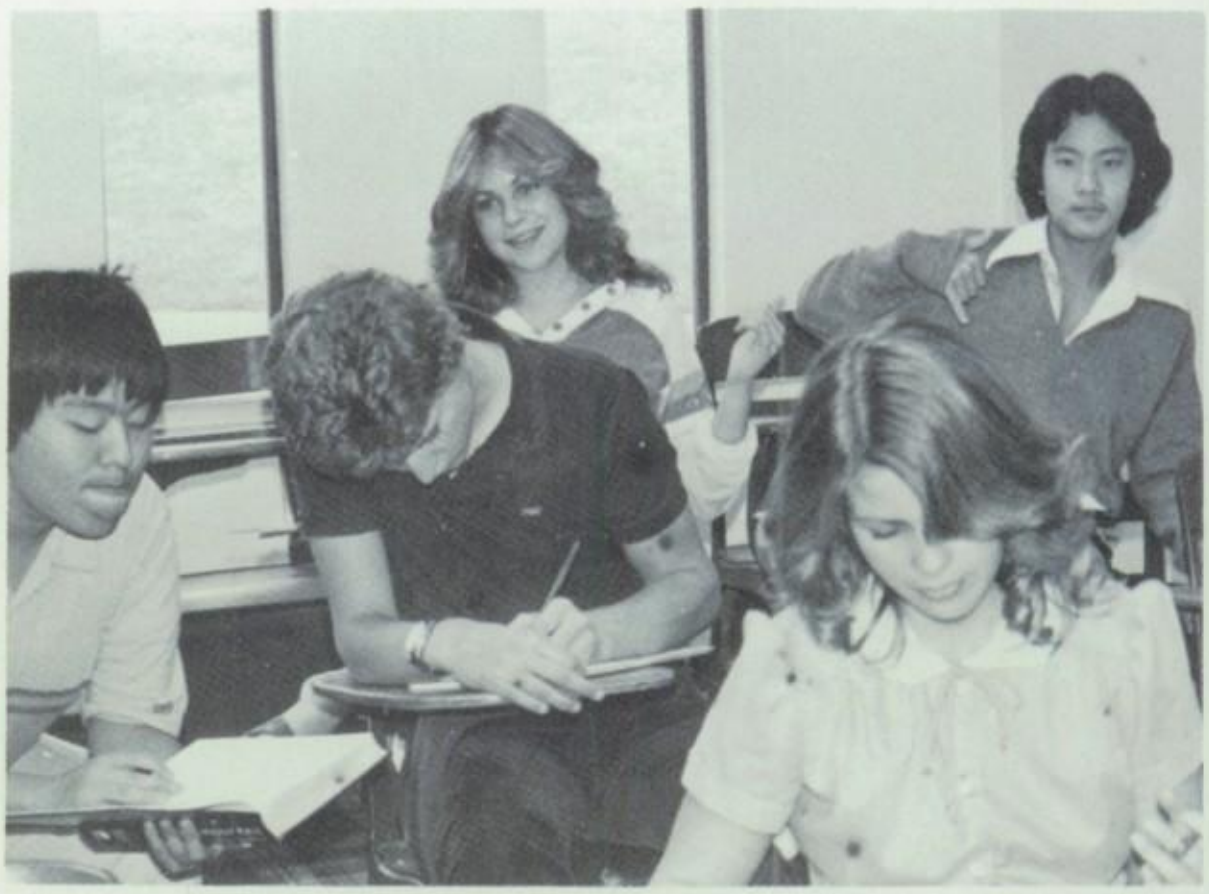
Two are better than one; because they have a good reward for their labour, for if they fall, the one will lift up his fellow.

Eccl. 4:9-10



Behold, how good and how pleasant it is for brethren to dwell together in unity.

Psalms 133:1

I meditate on all thy works; I muse on the work of thy hands.

Psalms 143:5

Ye are the light of the world.

Matt. 5:14

Guide our feet into the way of peace.

Luke 1:79

Neglect not the gift that is in thee.

1 Tim. 4:14

When I was a child,
I spoke like a child,
I thought like a child, I
reasoned like a child; as
I became a man, I chang-
ed my childish ways.

Now we see only puz-
zling reflections in a
mirror, but then we
shall see face to face.
Now I know only a
fraction of the truth, but
then I shall understand
fully, even as I have
been fully understood.

I Cor. 13:11-13

I will lift up my eyes
unto the hills, from
whence cometh my help.

Psalms 121:1

Forgetting those things
which are behind, and
reaching forth unto
those things which are
before, I press toward
the mark.

If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music he hears, however measured or far away.

Thoreau

If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours.

Thoreau

Reach high, for stars lie hidden in your soul. Dream deep, for every dream precedes the goal.

Pamela Vaull Starr

Keep thou thy dreams--
the tissue of all wings,
Is woven first of them;
from dreams are made
The precious and
imperishable things,
Whose loveliness lives
on, and does not fade.
Virna Sheard

So long as enthusiasm
lasts, so long is youth
still with us.
David Starr Jordan

With men this is im-
possible; but with God
all things are possible.

thou gavest me to do.

There is an appointed time for everything. And there is a time for every event under heaven--

A time to give birth, and a time to die;

A time to plant, and a time to uproot what is planted.

A time to kill, and a time to heal;

A time to tear down, and a time to build up.

A time to weep, and a time to laugh;

A time to mourn, and a time to dance.

A time to embrace,
and a time to shun
embracing.
A time to search, and
a time to give up as lost;
A time to keep, and a
time to throw away.
A time to tear apart,
and a time to sew
together;
A time to be silent,
and a time to speak.
A time to love, and a
time to hate;
A time for war, and a
time for peace.

Dear Staff and Students:

This year has been great. I hope that this yearbook will help you reflect back on the things that went on this past year. Being coeditor along with Diane wasn't an easy job. We, along with the yearbook staff worked together as a team. Sure we've had our ups and downs, but things can't always go smoothly.

I would like to thank each yearbook member which is Eric St.Paul, Sonia Wendt, Candy Carter, Karen Barton, Andy Wren, John Duncan, Nancy Luzovich, Brooks Garner, and especially Diane Dettle and my dad, the advisor I really appreciate their work and dedication. All of us together chose the theme "Panorama" which means over all view. That's what we did with this yearbook. We put the views we caught in this book.

I hope that each and everyone of you will enjoy this yearbook now and years to come. I hope that you'll be able to look back and say that was a great year. I hope you'll cherish these memories of this year, I know I will because it is my last year here at Monte Vista and I did have a great year. To those of you that are returning next year, God Bless you, and to my fellow classmates may you all stay close to the Lord, He's Always there it's just up to you.

Thank you all
Sincerly,

Angela Fraticelli

MESSAGE

Dear Students, and Staff:

This year as coeditor of our yearbook I have learned many things. Among them the meaning of patients, and persistance. The difficulty of working so closely with so many people and yet the inability to work without them. Originaly in our yearbook staff we had 15 members. Our size now is 11, which is still rather large for the close quarters in which we work. Whether we were working very hard trying to meet our deadlines or redoing a layout or just laughing over funny pictures. No matter how you look at it we did it as part of a team. I would like to thank every member of our 1980-81 Monte Vistan Panorama yearbook staff for helping to make this yearbook the best. I would also like to thank Mr. Fraticelli for his support over the last 10 months.

To those seniors and students who won't be returning next year, may the Lord bless you and be with you always. To those students and faculty who will be here, have a great summer and I look forward to seeing you next year.

With Jesus Love
